Kentler International Drawing Space, founded in 1990 by artists, presents exhibitions of contemporary drawings and works on paper by local, national and international artists as part of the cultural fabric of the community. We encourage dialogue and interaction between exhibiting artists and the public while providing artists with the opportunity to experiment, explore, and expand the definition of art in society.

# 100 WORKS ON PAPER BENEFIT MAY 17, 2007

## Welcome to our fifth Works on Paper Benefit

### 133 Drawings and Works on Paper by artists from Brooklyn and beyond!

One Benefit ticket equals one unique work of art. The names of the ticket holders will be drawn at random to determine the order for choosing work and will continue until all names are drawn.

When your name is called, you may choose an artwork from the Benefit wall to add to your collection. Your new work will be removed from the wall and given to you by our Art Handlers. Our wrapping station in the back space will wrap and bag your work for the journey home.

There are 5 exciting artworks for Silent Auction bidding in the front gallery space. Bidding will continue until 9pm sharp.

### The Drawing will begin at 6:45

#### Welcoming remarks:

Florence Neal, Executive Director  
Liz Koch, Arts and Cultural Director  
for Brooklyn Borough President  
Marty Markowitz  
Leslie Kerby, Chair, Board of Directors

#### Master of Ceremonies:

Gregory Purnhagen

We invite you to enjoy refreshments and conversation with friends and art connoisseurs while waiting for your number to be called.

#### Silent Auction:

Eric Gruzis  
Nene Humphrey  
Richard Mock  
Joan Snyder  
Jessica Stockholder

Thank you for supporting the arts and realizing the importance of this vital exhibition space for drawings and work on paper.

Benefit proceeds contribute to the presentation of exhibitions and public programs at the Kentler International Drawing Space.
